San Patrignano is world's largest therapeutic community working for the last thirty years for the full recovery of those suffering from drug addiction.

Rehabilitation, professional training and social reintegration are the key concepts to have given a chance to more than 20, 000 young people to start anew without drugs.

Independently verified success rate of San Patrignano recovery programme is over 70%.

Since 1978, San Patrignano has taken in young people for free, offering them home, healthcare, legal assistance, and the opportunity to study, learn a job, change their lives, and regain their status as full members of society.

# European Cities Against Drugs in co-operation with San Patrignano Community

The San Patrignano Community  
with the patronage of  
the Presidency of the Italian Republic

**San Patrignano**

**October 10–11, 2014**

WeFree project articulates a broad network of intervention on drug prevention, based on peer to peer education, undertaken by those in the community programme. It is a special event created and implemented by young people in San Patrignano community. WeFree aims to stimulate a constructive dialogue and will provide an opportunity to learn more about drug addiction and youth. More than 2 000 students from Italian high schools participate in the event, along with representatives from national and international institutions, personalities from sport, culture and entertainment branch.
