Rehabilitation, professional training and social reintegration are the key concepts to have given a chance to more than 20,000 young people to start anew without drugs.

Independently verified success rate of San Patrignano recovery programme is over 70%.

Since 1978, San Patrignano has taken in young people for free, offering them home, healthcare, legal assistance, and the opportunity to study, learn a job, change their lives, and regain their status as full members of society.
